

RULES OF THE AGRITURISMO AND INFORMATION

The Agriturismo “Podere Nigriano” is a family-run facility, which counts 5 locations. It has been built in 2018 from the old buildings of the original farm: the barn and the house of the keepers. The rooms can accommodate up to 14 people. Every room is different for shape, size and furniture, which is elegant but informal. Everything has been built by cutting down the environmental impact to the minimum, completely surrounded by the olive grove.
